

**U. S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT
FEDERAL HOUSING ADMINISTRATION**

INSTRUCTIONS FOR FILING OUT APPLICATION FOR TENANT ELIGIBILITY FOR RENT SUPPLEMENT
HOUSING OWNER OR MANAGING AGENT SHOULD ASSIST APPLICANT IN FILLING OUT FORM

Part A. Applicant's Statement

Item 1 to 3. Enter name and present address of prospective tenant, and companion, social security number, years employed and name of employer for both the tenant and spouse. The information concerning minority group categories is requested for statistical purposes so the Department may determine the degree to which its programs are utilized by minority families.

Item 4. Rent supplement payments shall be based on total household income reported during the past twelve months, less earnings of eligible minors and nondependent dependents, estimated as shown on the form.

Items 1 through 7. Enter on these lines, the names of each individual member of the prospective tenant's household, including husband (or other eligible head) and spouse. If there are more than 7 persons in the family, show the same information for these persons on an attached sheet of paper (4 copies). In the next three columns enter for each person the age, sex, and relationship to the head. In the columns headed income last 12 months enter for each individual the amount of income by type received during the last 12 months, and enter the total for each individual in the last column. All income amounts should be entered to the nearest dollar. **DO NOT USE SPACES.** Current income should reflect income status at time of application, and reported income over 12 months should represent the anticipated income of each individual over the next year. The sum of incomes from each source should be entered in line 8. A statement explaining differences between anticipated incomes and either last year's or current incomes above or below, must be written or typed on the back of all copies of the form; or if more convenient, a copy of the statement may be stapled to the back of each copy of the form.

Items 8 through 12. From the entries presented on Items 1 through 7 of Item 4, and attachments, if any, the housing owner or manager should develop the criteria for line 8 through 16. **The number in household**, line 8, is represented by the number of names listed. **The number of eligible minors**, line 10, (i.e., minors eligible for statutory income deduction of \$300 per minor) is the number of minors whose age is listed as under 21, related to the head by blood, marriage or operation of law, including the head of household or his spouse.

The number of other minors, line 11, represents the number of minors that are not related by blood, marriage or law. **The number of dependents**, line 12, is the number of persons (adult or minor) deriving principal support from the family head, including his spouse. The number of handicapped, line 13, includes any person who has a physical impairment which is expected to be of continued duration, which substantially impairs his ability to live independently, and which would be improved by more suitable housing.

Lines 14 through 16. Calculation of Adjusted Annual Income. The total amount of incomes, line 4, line 8, column (c), reported in the next 12 months is to be entered in the income columns of line 14 as total expected income. Earnings of eligible minors are deducted at line 14 to obtain net expected income for line 14b. (Note that only the earnings of eligible minors may be deducted). Welfare, Social Security, and other payments made on behalf of minors are incomes of the persons to whom paid, generally the head of household or some adult). Income is adjusted further on line 15 by deducting an allowance of \$300 for each eligible minor (line 10) under 21 years of age related to the head by blood, marriage or operation of law, including the head of household or his spouse. This yields adjusted annual income line 16, which will be used in the computation of the rent supplement. See Part B, Item 8.

Item 8. List the combined names of all members of the household, whether related or unrelated, who will live in the dwelling unit. Exclude personal property, such as furniture, clothing, automobile, etc. The estimated value

(based on original acquisition price) of any real estate owned by any member of the household, less indebtedness should be listed. Unpaid bills for food, medical expenses, etc. (but not for furniture, clothing, automobile, or other personal property) may be deducted.

Item 9. If the family has unusual and continuing expenses for disability or illness which are not compensated for by insurance or otherwise, show the amount of such unusual expenses in Item 9 and explain the nature of the disability or illness on a separate sheet (three copies). Include a similar justification in those cases where a wage earner in a household who is gainfully employed or is actively seeking gainful employment incurs expenses for the care of children (under 18 years of age) or dependent persons (excluding husband or wife) physically or mentally incapable of earning for themselves.

Item 7. To be eligible for rent supplements, the applicant's family or household income must be below the limits established for the locality in FHA 4475.6, and he must qualify under one of the eligibility requirements listed in Item 7. Check the appropriate box or boxes and furnish proof as indicated if handicapped, 62 years old or older, or disabled by governmental action. Proof of age for other Federal benefits, such as Social Security or Medicare, will be satisfactory. If the applicant lives in substandard housing, a physical inspection of the property will be made. Proof shall be submitted or an inspection will be made if his present or former residence has been destroyed or extensively damaged by natural disaster. The applicant shall sign and date the application.

Part B. Eligibility for Rent Supplement

Items 1 through 8. These are to be filled in by the housing owner or his authorized managing agent. To determine the Income for Supplement Payment in Item 8, deductions from Adjusted Annual Income may be made for disability or caring illness and for child care from Part A, Item 6.

Filing and Processing

1. The original and two copies of the application (with one copy of any required certification or proof) shall be submitted to the Federal Housing Administration Insuring Office for review. After review, the FHA Insuring Office will return the original and a Xerox copy and attachments to the housing owner, and FHA will retain the two carbon copies.

2. If the applicant moves in, the housing owner should note the date of move-in and identification of the dwelling unit in the space and check boxes provided in Part B line 10 on his copy, and file the approved application and attachments with the corresponding leases, alphabetically by applicant's last name, for future reference and audit. If the applicant does not move in and the application is canceled, the box in Part B line 11 should be checked and the canceled application should be sent to FHA. Upon receipt of canceled applications, FHA will check Part B line 11 on the second carbon copy and will mail it to the Statistics Branch, Office of Housing Management, EHM, and will destroy the original and first carbon.

3. Certifications required in Part A Item 7 should be retained by the housing owner after review by FHA, and attached to the approved copy of the application and leases of eligible tenants. They may be returned to the applicant in the case of rejection or cancellation.

4. When submitting the first monthly voucher to FHA the housing owner will return the Xerox copy with Part B, line 10 filed in. The FHA will record the information entered by the owner in Part B, line 10 on the two carbon copies of the application, making sure that the owner has furnished all requested information, and will mail the second carbon copy to the Statistics Branch, Office of Housing Management, EHM, Department of Housing and Urban Development, Washington, D. C. 20412.

5. Before submitting this Form, be sure to check the appropriate box just above Part B, Item 13 to indicate whether this is an application, amendment, or a recertification. If a recertification, also show the number, i.e., first, second, third, etc., for this tenant.
